

Business Membership

Help accelerate the adoption of solar energy technology by becoming a NorCal Solar business member! In addition to promoting education, you'll receive these additional benefits:

- The Enews, our newsletter that publishes news on renewable energy issues.
- Special volunteer opportunities and inside industry information
- The satisfaction of knowing you are helping to ensure a clean, safe, abundant, and renewable energy future for California.
- Classified listing on our website with all contact information. (Approx. 7,000 unique visitors a month!)
- Connect to other business and the solar advocacy groups that educate your customers.
- Announcements of all upcoming NorCal Solar tours, workshops, conferences and events.

There are three levels of business membership:

- Small Business (suggested for less than 10 employees)
- Corporate (suggested for 10 to 50 employees)
- Solar star (suggested for 50 or more employees)

We accept all major credit cards through PayPal.
